**ISH 2026** is intended for hematologists/oncologists, nurses and other health care providers who are involved and/or interested in basic and clinical hematology to hear internationally renowned hematology experts and learn how this research can translate in to improve patient management and care strategies. The program includes Education Sessions, Plenary Sessions, Congress Symposia, Peer-Reviewed Abstract and Poster Sessions as well as the Corporate Symposia.

**Abstract Submission:**

December 1, 2025 - January 31, 2026

**Registration:**

Early Bird: From November 1, 2025

Regular: From March 15, 2026

**ISH 2026**
